**Please Note:** When visiting other clubs, and want to fly, introduce yourself, preferably to a committee member. Show your current FAI card to prove you have insurance, your valid 'heavy model permit' if applicable, and sign in to the 'visitor's book'. Enquire about local rules before flying and obey them, especially frequency control. At competitions, the Contest Director usually takes charge of these matters, and explains the details at the 'pilot's briefing' before flying starts. Above all, treat the host Club and its' Members with respect, and feel privileged you are allowed to fly at their field.

**NOTE... Most clubs don't fly at all on days of declared Total Fire Ban.**

For further information in regard to the VMAA Calendar, contact the VMAA Contest Director:  
[contestdirector@vmaa.com.au](mailto:contestdirector@vmaa.com.au)

There are a number of "links" that will take you to a flyer or send an email to the contact for various events.

Fly Safe, Have fun and enjoy our great Sport!
