FIELD LOCATION

240 WARRAK RD, ARARAT, VICTORIA

The Ararat & Districts Aeromodellers Club has great pleasure in inviting all MAAA pilots to the “MossKosh” Annual Fun Fly.

Named after our beloved past president, Moss Heard, this annual event lives up to the ethos that Moss promoted at the Ararat club which is to simply have fun flying model planes.

Our field is one of the best in the state with ample space for all and great viewing of the flying.

We look forward to seeing you at this fun event.

Event details

When

1 - 3 November, 2019

Where

Ararat & District Aeromodellers Club
240 Warrak Rd
Ararat
Victoria, 3377

Time

Flying from 9am - 3pm.

Pilot registration

All pilots wishing to attend this event and fly must register at the event.

Pilot requirements

All pilots must be MAAA members in order to meet the requirements of the host club.

Flying rules

MAAA guidelines are being adopted for this event. Emphasis will be placed on all planes being flown at a minimum of 9 meters away from the pilot in command.

What planes to bring

Bring any plane you like but if you do bring a model that weighs more than 7kg please ensure you have a current heavy model certificate.

Charging batteries

If you need to charge flight batteries then it is best to sort yourself out with either a car battery or generator. Power at the field is very limited.

Accommodation

Camping at the field will be available. Toilets are available onsite and showers are nearby.

Lunch

A BBQ lunch will be available on both days.
